

ENTERPRISEDB

SOLUTIONS THAT SAVE MONEY AND DELIVER ROI QUICKLY

EnterpriseDB combines exceptional database technologies with comprehensive, 24x7 "follow the sun" support services to customers and partners worldwide. We help organizations harness the power and economic advantages of an open source database safely and securely, with minimal disruption to existing operations. Our database compatibility solutions give Oracle® customers compelling new cost containment opportunities, and our ISV/SaaS programs are designed to help partners save margin while increasing the power and flexibility of their solutions.
