

## TUN EMUL 2009

### CUSTOMIZABLE TERMINAL EMULATION

Tun Emul provides emulation of over 30 terminal types, including IBM 3270/3287 and 5250/3812, HP, Digital VT, and SCO ANSI. Easy-to-use customization tools allow administrators to add background colors, graphical toolbars and function-key panels, mouse support, and hot spots. Users also benefit from a convenient tabbed Workspace, enabled by ActiveX technology, where they can maintain open sessions from many diverse hosts – including 3270/3287, 5250/3812, VT, and HP. In PC environments, Tun Emul runs under Windows XP, 2000 and 98. In multi-user Windows environments, Tun Emul is available to virtually any client device.
