

VSIFAX FOR NOTES

THE BEST FAX SOLUTION FOR LOTUS NOTES, SAYS IBM & LOTUS

VSIFAX for Notes v3 is guaranteed to increase productivity and significantly reduce labor costs and telephony charges. Far more than a simple NT email gateway, VSI-FAX for Notes is the only enterprise wide fax solution that combines proven fax technology with pure Notes administration.

With features such as least cost routing, comprehensive reporting, cluster moni-toring, single-seat administration, support for all forms of inbound routing and NAB synchronization, VSI-FAX for Notes is the obvious choice for Notes administrators and end-users.
